Welcome to the 22nd EUMASS Congress and the 10th Dutch International Congress on Insurance Medicine

04 – 06 October 2018

www.eumass-congress.eu
Thursday 4th October 2018

09.00 – 09.10  Welcome Address  
G. (Gert) Lindenger, MD, PhD, President of EUMASS, SE  

09.10 – 09.40  Title follows  
Mr. J. (Jo) De Cock, CEO of the National Institute of Health and Disability Insurance (NIHDI), BE  

PLENARY SESSION  
Moderator – Dr. J.P. (Jean-Pierre) Bronckaers, BE  

09.40 – 10.20  Peter Donceel lecture:  
Bridging research and practice: an European perspective  
Prof. Dr. A.E. (Angelique) De Rijk, NL  

10.20 – 11.00  Uniting work and health in return-to-work programs for people with mental health problems  
Prof. Dr. S.E. (Silje) Reme, NO  

11.00 – 11.30  POSTER SESSION  

PLENARY SESSION  

11.30 – 12.15  How to measure and monitor harm to patients in healthcare organisations?  
Prof. Dr. P. (Philippe) Michel, FR  

12.15 – 13.00  Medical judgment and cognitive pitfalls  
Prof. Dr. J.A.S. (Johan) Braeckman, BE  

13.00 – 14.10  LUNCH  

14.10 – 15.50  ROUND I: PARALLEL SESSIONS & WORKSHOPS  

Workshop 1 - Indicator based performance measurement in European countries  
ROOM:  
Moderator - Dr. K. (Klaus) Doebler, DE  

14.10 – 14.45  An integrated tool for evaluating the French mandatory quality indicators used for hospital improvement, public disclosure and regulation: development and test results  
Presenter: Prof. Dr. P. (Philippe) Michel, FR  

14.45 – 15.20  Indicator based Performance Measurement in German Hospitals  
Presenter: Dr. K. (Klaus) Doebler, DE  

15.20 – 15.50  Indicator based Performance Measurement in England  
Presenter: Dr. K. (Keiko) Toma, GB  

Workshop 2 - How to read a Cochrane Review  
ROOM:  
Moderator – Ass. Prof. Dr. J.L. (Jan) Hoving, NL  

14.10 – 15.50  How to read a Cochrane Review  
Presenter: Prof. Dr. Regina Kunz, CH  

Parallel session - German - Implementation of Evidence-based Rehabilitation Strategies for improving Return to Work  
ROOM:  
Moderator - Dr. M. (Marco) Streibelt, DE  

14.10 – 14.30  Effectiveness of Graded Return to Work after Multimodal Rehabilitation in Patients with Mental Disorders. A Propensity Score Analysis  
Presenter: Dr. M. (Marco) Streibelt, DE

Parallel session - Musculoskeletal diseases
Moderator - Gert Lindenger, MD, PhD, SE

14.30 – 14.50 Evaluations of the project «Rapid Return to Work». A controlled cohort study and three-year follow-up for persons with musculoskeletal and minor mental disorders Presenter: D. (Dag) Brekke, MD, PhD, NO

14.50 – 15.10 Inpatient multidisciplinary occupational rehabilitation reduces sickness absence in patients with common musculoskeletal complaints and mental disorders: a randomised clinical trial Presenter: S. (Sigmund) Gismervik, MD, NO

15.10 – 15.30 Effect and costs of an intensive return to work program for patients with recent sick leave due to musculoskeletal disorders Presenter: drs. N.J.G.B. (Nico) Wolter, NL

Parallel session - Training in insurance medicine
Moderator – K.W. (Karen Walseth) Hara, MD, NO

14.10 – 14.30 Developing practice-oriented education in insurance medicine and student-centered learning activities in real-life social security settings Presenter: K.W. (Karen Walseth) Hara, MD, NO

14.30 – 14.50 Evaluation of a training in 'Disability assessment in patients without objective findings for Insurance Physicians Presenter: J. (Jerry) Spanjer, MD, PhD, NL

14.50 – 15.10 Implementation of the Disability Management training program in Belgium: steps taken Presenter: dr. S. (Saskia) Decuman, BE

15.10 – 15.30 Feasibility of the training programme 'Acquired Brain Injury and Return to Work' for Insurance Physicians Presenter: B.H.P.M. (Birgit) Donker-Cools, MD, MSc, NL

15.30 – 15.50 Solution-focused communication skills training in sickness absence counselling of sick-listed workers without an employment contract Presenter: dr. H.J. (Jolanda) Van Rijssen, NL

Parallel session - DICIM/VG DAGEN - Disability evaluation and management
Moderator - dr. J. (Jan) Buitenhuis, NL

15.00 – 15.50 Personal factors and their relevance for Rehabilitation Medicine prof. dr. W. (Wolfgang) Seger, DE

15.50 – 16.20 COFFEE BREAK

16.20 – 18.00 ROUND II: PARALLEL SESSIONS & WORKSHOPS

Workshop 3 - The influence of negative perceptions about work and health on the return to work of workers with mental health problems
Moderator - em. prof. dr. H. (Haije) Wind, NL

16.20 – 17.10 Interventions to reduce sickness absence in depressed people Presenter: dr. K. (Karen) Nieuwenhuijsen, PhD, NL
17.10 – 18.00 Negative perceptions about return to work in sick-listed unemployed and temporary agency workers with psychological problems
Presenter: Y.B. (Yvonne) Suijkerbuijk, MD, MSc, NL

**Workshop 4 - Cochrane Insurance Medicine (CIM) and EUMASS**
Moderator – ass. prof. dr. J.L. (Jan) Hoving, NL

16.20 – 18.00 Cochrane Insurance Medicine (CIM) and EUMASS
Presenter: ass. prof. dr. J.L. (Jan) Hoving, NL

**Parallel session - Return to work**
Moderator - dr. I. (Ilona) Autti-Rämö, FI

16.20 – 16.40 The impact of motivation in return to work after work disability
Presenter: C. (Charlotte) Vanovenberghe, BE

16.40 – 17.00 Motivational interviewing in long-term sick absence: design of a randomized controlled trial with mixed methods
Presenter: V. (Vegard) Foldal, PhD, NO

17.00 – 17.20 Does evidence-based knowledge impact Swedish Government policy of return-to-work?
Presenter: Jan Lidhard, former special advisor, SE

17.20 – 17.40 Sickness absentees’ experiences of encounters with and health care; differences between women and men
Presenter: ass. prof. dr. E. (Emilie) Friberg, SE

17.40 – 18.00 The labour market trajectories of individuals experiencing medical incapacity to work in Belgium
Presenter: E. (Esmeralda) Gerritse, BEc, M.Ec, BE

**Parallel session - Disability evaluation and management**
Moderator - dr. S. (Saskia) Decuman, BE

16.20 – 16.40 Multi-stakeholder dialogue for priority setting in research
Presenter: dr. S. (Saskia) Decuman, BE

16.40 – 17.00 Exploring the construct ‘inability to work full time’: a qualitative study from the physician and patient perspective
Presenter: drs. H.J.M. (Henk-Jan) Boersema, NL

17.00 – 17.20 The transition from acute to chronic pain: from a physiological and clinical perspective - impact on workability
Presenter: mr. T. (Thomas) Lundeberg, SE

17.20 – 17.40 Measurement of Pain in patients undergoing ability to work assessment - a gender perspective
Presenter: M. (Madeleine) Jonsson, MSc, SE

17.40 – 18.00 Insight into the most important person-related factors for work participation of employees with health problems according to occupational and insurance physicians
Presenter: drs. M.E.C. (Mariska) De Wit, NL

**Parallel session - Mental disorders and work**
Moderator - prof. dr. A.E. (Angelique) De Rijk, NL

16.20 – 16.40 Working with depression is experienced as a constant balancing act that includes presenteeism
Presenter: prof. dr. A.E. (Angelique) De Rijk, NL

16.40 – 17.00 Psychosocial Work Potential in Patients with Common Mental Disorders - A Comparison before and after Cognitive Behaviour Therapy
Presenter: B. (Birgitta) Hansson, MSc, SE
17.00 – 17.20 Trajectories of work disability and unemployment among young adults with common mental disorders
Presenter: M.H. (Magnus) Helgesson, PhD, SE

17.20 – 17.40 The relation between work motivation and work outcomes in people with severe mental illness
Presenter: drs. M. (Miljana) Vukadin, NL

17.40 – 18.00 Sickness absence among patients with Attention deficit/hyperactivity disorder (ADHD) and co-morbidity
Presenter: A. (Aikaterini) Trantou, MD, specialist in psychiatry, SE

Parallel session - Monitoring healthcare
Moderator – dr. A. (Anne) Vergison, BE

16.20 – 16.40 Comparisons of All-Cause Mortality of NSAIDs vs. Opiates and Adjuvants: A Historical Cohort Study
Presenter: D.C. (David Charles) Randolph, MD, PhD, US

16.40 – 17.00 Consumption of prescription opioids in Belgium (2006-2016)
Presenter: E. (Elien) De Mooter, MSc, social inspector, BE

17.00 – 17.20 Accompaniment to the mastery of prescription OMALYZUMAB in Provence Alpes Cote d’Azur and Corsica in 2017
Presenter: dr. J.L. (Jean-Louis) Cornille, MCR, DRSM, FR

17.20 – 17.40 Support in the practice of the physiotherapy for the dependent elderly in institutions
Presenter: M.C. (Marie-Christine) Banide, MD, FR

17.40 – 18.00 Renting a Knee Continuous Passive Motion (CPM) after Total Knee Arthroplasty (TKA) can shorten or prevent post-surgery rehabilitation stay
Presenter: J.C. (Claire) Jahier, PhD, FR

Parallel session - Vocational rehabilitation
Moderator – ass. prof. dr. C. (Corina) Oancea, RO

16.20 – 16.40 Promoting sustainable return to work: Towards a biopsychosocial and occupation-specific job matching tool for vocational rehabilitation of persons with spinal cord injury
Presenter: M. (Marina) Nützi, MSc, CH

16.40 – 17.00 Do granted rehabilitation benefits have effect on later disability after vocational rehabilitation?
Presenter: H.J. (Hans) Beck, MD, IS

17.00 – 17.20 Let's WORQ: The value of the Work Rehabilitation Questionnaire (WORQ) in return to work trajectories
Presenter: prof. dr. D. (Dominique) Van de Velde, BE

17.20 – 17.40 Improved expectations about length of sick leave during occupational rehabilitation is associated with increased work participation
Presenter: dr. L. (Lene) Aasdahl, NO

17.40 – 18.00 Might goal-focused group-based intervention within the Norwegian Welfare Organisation improve return to work?
Presenter: prof. dr. N. (Nils) Fleten, NO
Parallel session - DICIM/VG DAGEN - Sick leave certification & Ethical dilemmas in insurance medicine
Moderator - dr. J. (Jan) Buitenhuis, NL

16.20 – 17.10  Low back pain: Challenges and Promising new directions
Presenter: prof. dr. J.R. (Han) Anema, NL

17.10 – 18.00  When honesty is not the best policy: Symptom Validity test and quality of narratives in the assessment of malingering
Presenter: drs. I. (Irena) Boskovic, NL

WELCOME RECEPTION

19.00 – 22.00  Bonnefantenmuseum Maastricht
Friday 5th October 2018

PLENARY SESSION
Moderator – will be announced

09.00 – 09.45 Gender aspects in insurance medicine
prof. dr. G.K.E. (Gunnel) Hensing, SE

09.45 – 10.30 Removing barriers from work and societal participation in older ages.
How far can we go?
ass. prof. dr. D.M. (Despina) Gherman, RO

10.30 – 11.00 POSTER SESSION

PLENARY SESSION

11.00 – 11.45 Utilization of big data to assess the effectiveness of changes in sickness insurance legislation on work participation
prof. dr. E. (Eira) Viikari-Juntura, FI

11.45 – 12.30 Employer practices and policies to manage and prevent disability

12.30 – 13.40 LUNCH

13.40 – 15.20 ROUND I: PARALLEL SESSIONS & WORKSHOPS

Workshop 5 - Strengths, Limitations, and Potential Applications of the Work Disability Functional Assessment Battery
Moderator – Søren Brage, MD, PhD, NO

13.40 – 14.00 Issues in Development, Validation, and Implementation of the Work Disability Functional Assessment Battery: Mental Health Scales
Presenter: E. (Elizabeth) Marfeo, PhD, MPH, dr., US

14.00 – 14.20 A comprehensive and efficient functional assessment instrument: The Work Disability-Functional Assessment Battery (WD-FAB)
Presenter: J. (Julia) Porcino, MSc, US

14.20 – 14.40 Moving from conceptualization to measurement of whole person functioning in the Work Disability-Functional Assessment Battery
Presenter: J. (Julia) Porcino, MSc, US

14.40 – 15.00 Evidence of Validity and Future Directions for Implementation of the Work Disability-Functional Assessment Battery: Physical Function Scales
Presenter: ass. prof. dr. C. M. (Christine) McDonough, US

15.00 – 15.20 Implementation of the WD-FAB in the field of assessment of work disability in Belgium: a feasibility study
Presenter: dr. S. (Saskia) Decuman, BE

Workshop 6 - The reliability of medical assessments
Moderator - prof. dr. R. (Regina) Kunz, CH

13.40 – 14.05 The reliability of medical assessments. 1. Inter-rater agreement in evaluation of disability: finding from a systematic review
Presenter: prof. dr. R. (Regina) Kunz, CH

14.05 – 14.30 The reliability of medical assessments. 2. Training psychiatrists in functional evaluation: Experiences from RELY
Presenter: prof. dr. R. (Regina) Kunz, CH
The reliability of medical assessments. 4. The reliability of real life work disability assessment using the functional approach: The RELY studies
Presenter: prof. dr. R. (Regina) Kunz, CH

14.55 – 15.20
The reliability of medical assessments. 3. The “Instrument for Functional Assessment in Psychiatry”: Development, application and approval by psychiatric experts within the RELY studies
Presenter: prof. dr. R. (Regina) Kunz, CH

---

**Parallel session - Return to work - A**
Moderator - ass. prof. dr. A. (Annina) Ropponen, FI

13.40 – 14.00
Objectively assessed exposure to shift work characteristics and short sickness absence: a registry study of hospital employees
Presenter: ass. prof. dr. A. (Annina) Ropponen, FI

14.00 – 14.20
A web-based intervention to promote application for medical rehabilitation: results of a randomized controlled trial
Presenter: M.A.K. (Katja) Spanier, MA, DE

14.20 – 14.40
Online programs for employees with a chronic health condition to improve work participation
Presenter: I.D. (Iris) De Putter, MSc, NL

14.40 – 15.00
A dialogue based workplace intervention - social insurance officials’ and RTW coordinators’ experiences
Presenter: M. (Marine) Sturesson, PhD, SE

15.00 – 15.20
Returning to work after long-term incapacity: Face-to-face surveys by a health insurance fund
Presenter: M. (Michael) Callens, director of the R&D department, BE

---

**Parallel session - Disability evaluation and management**
Moderator – dr. J.P. (Jean-Pierre) Bronckaers, BE

13.40 – 14.00
Anatomy of professional discretion in social security medicine
Presenter: H.M. (Hans Magnus) Solli, MD, PhD, NO

14.00 – 14.20
Assessment of prognosis by physicians working in the field of disability evaluation: a qualitative study
Presenter: ass. prof. dr. J.L. (Jan) Hoving, NL

14.20 – 14.40
Updating the Evidence on Functional Capacity Evaluation Methods: A Systematic Review
Presenter: S. (Stijn) De Baets, PhD Student, BE

14.40 – 15.00
Key factors to elicit claimants’ perceived fairness in the disability evaluation
Presenter: R. (Regine) Lohss, MSc, CH

15.00 – 15.20
Current challenges and the need for functioning-based documentation in work-related assessments of the Swiss accident insurance: A stakeholder analysis
Presenter: B. (Barbara) Schiffmann, MSc, CH

---

**Parallel session - Sick leave certification**
Moderator - prof. dr. K. (Kristina) Alexanderson, SE

13.40 – 14.00
Physician’s work with sickness certification in Sweden
Presenter: prof. dr. K. (Kristina) Alexanderson, SE

14.00 – 14.20
Sick leave certifications in Saxony. A retrospective analysis of routine data of the Medical Service of German Statutory Health Insurance
Presenter: dr. T. (Thomas) Petzold, DE

14.20 – 14.40
An analysis of long-term sick leave in Slovenia
Presenter: dr. T. (Tomaž) Čakš, SI
14.40 – 15.00 Governance of the sickness certification process in health care
Presenter: B. (Britt) Arrelöv, MD, PhD, SE

15.00 – 15.20 Management of sick-leave patients through a preliminary questionnaire to save medical resources
Presenter: F. (François) Latil, MD, FR

**Parallel session - Return to work - Employer’s perspective**
Moderator – prof. dr. M. (Marc) Du Bois

13.40 – 14.00 Beyond medical treatment after minor motor vehicle crash injury: perceptions of insurance company case managers
Presenter: M. (Maurizio) Trippolini, PhD, US

14.00 – 14.20 Optimization and validation of Weer-Werk, a return-to-work program including Disability Case Management
Presenter: S. (Sanne) Van Craeyeveldt, PhD, BE

14.20 – 14.40 The use of a dialogue based work place intervention (ADA+) for return to work – from employer perspectives
Presenter: T. (Therese) Eskilsson, PhD, SE

14.40 – 15.00 Employers’ return to work experience of employees with cancer: A complex communicative pathway
Presenter: M. (Maria) Strömbäck, PhD, SE

15.00 – 15.20 Perceived employer-related barriers and facilitators for work participation of cancer survivors: a systematic review of employers’ and survivors’ perspectives
Presenter: drs. M.A. (Michiel) Greidanus, MSc, PhD Student, NL

**Parallel session - Return to work - B**
Moderator - dr. C.M. (Christina) Dal Pozzo, IT

13.40 – 14.00 Restoring confidence in working life – experiences of supportive guidance in the return to work process after stress-related exhaustion
Presenter: M. (Maria) Strömbäck, PhD, SE

14.00 – 14.20 Return to work in patients with Exhaustion Disorder. Behind the scenes
Presenter: prof. dr. I. (Ingibjörg) Jonsdottir, SE

14.20 – 14.40 Development and evaluation of a care pathway to support return to work of employees with burnout
Presenter: dr. C. (Charlotte) Lambreghts, BE

14.40 – 15.00 International comparison of work capacity evaluation in a social security setting
Presenter: J.H. (Johan) Sengers, MSc, NL

15.00 – 15.20 Biopsychosocial predictors and trajectories of work participation after occupational rehabilitation of participants with mental and somatic disorders. A cohort study
Presenter: K.W. (Karen Walseth) Hara, MD, NO

**Parallel session - DICIM/VG DAGEN - BIG data & Interaction between healthcare and disability evaluation**
Moderator - em. prof. dr. H. (Haije) Wind, NL

Presenter: dr. N.S. (Nicky) Hekster, NL

14.30 – 15.20 Small fiber neuropathy: from symptoms to treatment
Presenter: dr. J.G.J. (Janneke) Hoeijmakers, NL

15.20 – 15.50 **COFFEE BREAK**

**TRAJECTUM**
15.50 – 17.30  ROUND II: PARALLEL SESSIONS & WORKSHOPS

**Workshop 7 - Neuromodulation and participation of the Belgian medical advisor in the therapeutic process**
Moderator - prof. dr. G. (Guy) Hans, BE

15.50 – 16.25  Neuro-Pain: nationwide implementation of a digital platform for multidisciplinary screening, treatment and long-term follow-up of chronic pain patients
Presenter: prof. dr. G. (Guy) Hans, BE

16.25 – 16.55  Reintegration and chronic pain: will it work?
Presenter: prof. dr. G. (Guy) Hans, BE

16.55 – 17.30  A medical ethics for social security having patient's welfare and social justice as goals
Presenter: H.M. (Hans Magnus) Solli, MD, PhD, NO

**Workshop 8 - Evidence-based medical assessment in insurance medicine:**
Vision or declared goal?
Moderator – R. (Regina) Lohss, MSc, CH

15.50 – 17.30  Evidence-based medical assessment in insurance medicine: Vision or declared goal?
Presenter: R. (Regine) Lohss, MSc, CH

**Parallel session - Return to work**
Moderator – F. (François) Latil, MD, FR

15.50 – 16.10  A Telephone based coaching for long term of sick leave patients
Presenter: F. (François) Latil, MD, FR

16.10 – 16.30  Symptom diagnoses in the sickness certificate predict lower quality of the sick leave process. A retrospective study of medical records in Sweden
Presenter: K. (Karin) Starzmann, MD, SE

16.30 – 16.50  Tackling fraud against the health insurance system
Presenter: dr. M. (Magali) Percot Pédrono, FR

16.50 – 17.10  Early workplace dialogue in physiotherapy practice improved work ability at long-term follow-up - WorkUp, a randomised controlled trial in primary care
Presenter: C.P.S. (Charlotte) Post Sennehed, RPT, PhD student, SE

17.10 – 17.30  Reasonable accommodation in the workplace in Italy: new policy and role of Workers’ Compensation Authority (INAIL)
Presenter: dr. C.M. (Christina) Dal Pozzo, IT

**Parallel session - Disability evaluation and management**
Moderator - drs. A.E. (Annette) De Wind, NL

15.50 – 16.10  Predicting future changes in work ability of individuals receiving a disability benefit: longitudinal analysis of self-reported and registration data
Presenter: drs. I. (Ilse) Louwerse, NL

16.10 – 16.30  High levels of sick leave and disability pension during the 5 years before spontaneous subarachnoid hemorrhage
Presenter: prof. dr. E. (Elisabeth) Ronne-Engstrom, SE

16.30 – 16.50  Who returns to work after a coronary heart disease event? Results from the EUROASPIRE IV study
Presenter: dr. J. (Joy) Van de Cauter, BE

16.50 – 17.10  Interventions to promote work participation after ischaemic stroke: a systematic review
Presenter: prof. dr. R. (Raf) Brouns, BE
17.10 – 17.30  Work disability and quality of life in Romanian patients with inflammatory bowel disease  
Presenter: R.E. (Roxana Elena) Mirica, MD, PhD, Assistant Lecturer, RO

**Parallel session - Sick leave risks**  
ROOM:
Moderator - prof. dr. S. (Sandra) Brouwer, NL

15.50 – 16.10  Does sick leave due to mental disorders increase the risk of mortality and morbidity?: a prospective twin study  
Presenter: dr. L. (Lisa) Mather, SE

16.10 – 16.30  Sleep disturbances as risk factors for future sickness absence  
Presenter: ass. prof. dr. P. (Pia) Svedberg, SE

16.30 – 16.50  The Quicksan to Assess Risk of Long-Term Sickness Absence: A Cross-Sectional Validation Study  
Presenter: K. (Kaat) Goorts, PhD student, BE

16.50 – 17.10  Type of employment and sickness absence: a prospective Swedish twin study  
Presenter: B. (Björg) Helgadóttir, PhD, SE

17.10 – 17.30  Predictors for long-term sickness absence in self-employed  
Presenter: F.I. (Femke) Abma, PhD, NL

**Parallel session - Monitoring healthcare**  
ROOM:
Moderator – dr. H. (Hans-Werner) Pfeifer, DE

15.50 – 16.10  Overuse of surgery: acting for pertinence  
Presenter: dr. P. (Philippe) Perez, FR

16.10 – 16.30  Focusing of financial medical auditing in Slovenia  
Presenter: J. (Jana) Mrak, MD, MSc, SI

16.30 – 16.50  Detection of upcoding - Computed tomography of the petrous bone  
Presenter: E. (Erik) Rossignol, LLM, BE

16.50 – 17.10  Confraternal talks impact with general practitioners on the prescription for older adults  
Presenter: dr. V. (Valérie) Mauillon, FR

17.10 – 17.30  Medical care following hospitalization for a first acute heart failure episode in 2016 in Paris and its suburbs  
Presenter: dr. M.M. (Michel) Marty, FR

**Parallel session - BIG data**  
ROOM:
Moderator – prof. dr. M. (Marc) Du Bois, BE

15.50 – 16.10  The use of the French National Health Insurance (NHI) database to perform studies in real-world: an example with the kidney cancer  
Presenter: Nadine Demare, FR

16.10 – 16.30  Improve the access to the rights: about the recognition in occupational disease of the cancers of bladder  
Presenter: dr. M. (Martine) Morvan, FR

16.30 – 16.50  Musculoskeletal disorders and work capacity in Portuguese navy  
Presenter: dr. M.A. (Moisés Alexandre) dos Santos Henrques, PT

16.50 – 17.10  Complementary health insurance cover and occupational welfare for the viability of the Social Security System
